About Me

A quote that best describes my mindset would be "Sic Parvis Magna" which essentially translates to "From Nothing Comes Greatness". I believe that if you truly put the effort in, no matter how long it takes nothing can stop you from achieving your goal.

Education

BS in Computer Engineering

2020 - Ongoing

Polytechnic University of the Philippines

Awards

President's Lister

1st, 2nd, & 3rd Years

Polytechnic University of the Philippines

Scholar

Junior Level Science Scholarship (JLSS) Program

Department of Science and Technology

With Honors

Grades 11 & 12
